Product Specification Sheet

Targus Wireless Laptop Mouse

Part #: AMW1603EU

Product Description:

The Targus Wireless Laptop Mouse provides a clear workspace free from cables with an optical sensor that provides improved movement and precision. The Targus Wireless Laptop Mouse features a Stow-N-Go USB receiver that attaches securely to the bottom of the mouse for added portability and convenience. Latest sensor technology conserves power and provides up to 12 months of battery life. The dual-purpose ergonomic design is small enough for travel yet big enough for comfortable desktop operation.

Product Features and Specifications:

- Wireless Freedom; RF Technology provides an uncluttered workspace, free from cables
- Small & Portable; Compact lightweight design for ease of mobility
- Plug & Play; No hassle setup; simply plug into your computer's USB port
- Ideal for travel or home office: small, compact design is perfect when space is limited – on an airplane tray, desk or home office
